Marcie Hyland Dance & Arts Center

Summer Dance Workshop 2024

Thank you for your inquiry into the **Marcie Hyland Dance & Arts Center**. Our exceptional faculty provides caring and careful instruction for children and adults of all ages, offering a variety of courses designed to provide a complete education in the musical theatre dance arts.

Students are placed in class levels by our faculty, who are always available to answer your questions and help guide you to the class that is right for you. We are always on the “cutting edge” of the newest and best teaching techniques in musical theatre jazz, ballet, hip-hop, and tap. The members of our teaching staff work closely together and are acutely aware of the needs of aspiring young dancers.

We are extremely proud of the creative choreography taught in all classes—so necessary for providing motivation! At all levels students have the opportunity to pursue their goals under the finest instruction in a challenging, but uniquely supportive environment.

CURRICULUM

Combination Ballet, Jazz, and Gymnastics Classes

A varied program in technique and style offering motivating jazz and ballet choreography. A favorite with young people, channeling their active minds and encouraging expression in movement.

One-Hour Classes of Musical Theatre Jazz and Hip-Hop

Stylized jazz in the Broadway tradition, and the most popular of all dance forms today. The turns, the kicks, the technique so necessary in creating a more proficient dancer. Hip-hop is included in our jazz classes.

One-Hour Classes of Classical Ballet

Elementary, intermediate, and advanced classes giving a more concentrated study of ballet and, therefore, a stronger background for any of the dance arts.

One-Hour Classes of Tap

With the return of tap to the theatre scene, we are offering complete tap classes for those interested in a more thorough background of American dance.

Adult Classes of Jazz, Ballet, or Tap

A fitness program structured for Today's Woman. Add more quality to your life with dance and exercise! Improve your cardiovascular system at the same time.

REGISTRATION
